**Not even fishnets can contain Bonnie's bulbous beauties. The tarty 22-year-old tries her best to keep an eye on them but it's usually the fortune of randy strangers keeping their eyes on her fabulous funbags. "I don't mind getting them out for anyone to see," she admits. "I'm quite proud of my tits so I've always got them on display. I even get a bit narky when a fella handles them too roughly. I like them to be treated with care and dignity although I never say no to having them plastered in a fresh coating of spunk! Last weekend I was lucky enough to get three different flavours of cock cream on 'em!"**

was already turned on by what she was seeing. She had her hand down her knickers and was clearly fiddling with her clit.

**Then when I had been fucking Lisa for a while, Honey joined us. She squatted over my face and lowered herself down so I could taste her pussy.**

Although I couldn't see a thing I knew Lisa and Honey were probably snogging. Their rhythm riding my cock and face was only made faster by their frantic snogging of each other!

Eventually I made Honey cum with

my tongue. Then she climbed off me and told Lisa to get off so she could lick her cunt.

As my girlfriend buried her face between Lisa's legs I moved to the other end and slipped my cock in her mouth.

Honey's persistent tonguing caused Lisa to cum. She moaned and groaned – still with my cock in her

mouth.

**Minutes later I came too, spurring my load down Lisa's throat as she tried to calm herself from such a mind-blowing orgasm.**

As I fell back on the bed, strands of my remaining cum dripped from Lisa's mouth. The pair of them snowballed the white cream in each other's mouths before Honey gulped the whole lot down.

Now Honey insists we invite Lisa round to ours at least once a week. I've certainly no objections!

## Sweet sex

**M**y girlfriend Honey is really cool with me fucking other girls and recently she let me bring one home. It was a young girl from my office called Lisa who I regularly fuck.

I arranged a night for Lisa to come round and when she turned up on the doorstep Honey was dripping wet and said she wanted to see me fucking Lisa.

So we went upstairs to the bedroom, got undressed and I let Lisa get on top of me.

I looked over at Honey who

## Secret slut

**I** made contact with two lads who wrote to me after my last appearance in Escort (vol 28 no 13). Steve and Tony were both single and I invited them round to my place.

As soon as they were both there I turned and placed my hands on their bulging trousers. Tony leaned forward and undid my blouse letting my tits swing free. My big nipples were sticking out and Tony clamped his lips around the right one.

**Steve had slid his hand up my skirt and was busily stroking my pussy lips before gently inserting a finger up my cunt.**

**Nicki,  
Cheshire**

My head was spinning and I had to pull away to prevent myself from cumming there and then. Catching my breath I suggested we'd be more comfortable in the bedroom.

Quickly stripping their clothes off, the boys had me naked in seconds. I got them to stand side by side and face me. I then squatted down in front of them.

Taking a cock in each hand I pulled Steve's cock into my mouth and started to suck his throbbing length while wanking Tony. Then I switched to take Tony's cock deep in my mouth.

The mingling of my saliva and the boys' pre-cum soon had their cocks nicely lubricated as I continued to suck on one and then the other.

I was so turned on my cunt lips were splayed open and already dripping with my love juice.

"Which one of

you horny bastards is going to fuck me first?" I asked.

Steve was fastest off the mark. Pulling me on to the bed on all fours he grabbed my ankles, spread my legs and drove his cock into me in one go.

Tony knelt on the bed and, grabbing my hair, pulled my head back and fed his cock into my mouth.

The boys started to spit-roast me good and proper, Steve repeatedly pulling his cock almost all the way out before slamming it back in while Tony alternated between dicking my mouth and smearing his well-sucked cock all over my face.

**I heard Steve starting to cum and thrusting myself backwards I took his load right up my cunt.**

When Steve pulled out Tony moved round behind and fed his cock all the way up my cunt. It was bigger than anything I'd ever taken before.

Slowly he worked up his speed, stretching my cunt in all directions as reached round and played with my nipples.

My head was starting to spin as he relentlessly pounded me. Steve was wanking his cock back to life, teasing me with it just out of reach as I gagged to take it back into my mouth.

I could feel an orgasm building and I started to scream that I was cumming. Tony quickened his pace and

groaned as he fired his spunk up me.

This caused me to cum and as he withdrew my love juices sprayed out all over the place.

It had to be the best fucking I'd ever had and the best thing about it was my husband knew nothing about it! *Nicki, Cheshire.*

# MEANWHILE...

## BEHIND THE SCENES AT ESCORT

Ed's assistant Julia Jones has been neglecting her duties lately so that she could watch Wimbledon. We don't mind but we just wish she didn't wear her tennis skirt round the office - it's so distracting! Send Julia stuff at Escort, 2 Archer St, London W1D 7AW.

## FROM CUFFS TO COLLARS!

Former burglar and old mucker of *Escort* Danny King has done away with penning novels about his past misdemeanours with his latest book *Blue Collar*. It's essentially chick-lit for blokes but with King's trademark common man perspective and humorous pub banter you won't go all gooey for reading it. At least we hope you won't. Published by Serpent's Tail, find it in all good books shops now.

## Letters to Julia

Dear Julia, While strolling to work the other day I noticed this fly poster in the street. Do you agree with what it says?

Mr Patel, Hounslow.

Julia says: Don't get me started on religion because I don't think there is a God. Having said that, if there was and he did put dirty magazines on the top shelf I don't think it was intended to inconvenience the vertically-challenged races of the world. It was probably more to do with him not having to bend down so far for his copy of *Escort*!

Dear Julia, Seeing lovely, slutty Anna in vol 29 no 4 brought memories flooding back of the only time

(so far) I've ever had the pleasure of fucking a true redhead. It was at a sex party last year where me and two other blokes filled all her holes with cock, pumping her with load after load of our hot spunk. I remember, amongst other things, the dirty lady in question having the tightest of little arseholes and the tastiest creamy cum. While

wanking furiously over Anna I imagine she'd be just the same. But maybe you know that already, eh, Julia? Swinger Steve, Halifax.

Julia says: I couldn't possibly comment - what goes on between *Escort* staff and models stays between *Escort* staff and models and all that, but you do have a point. From my experience red-heads are a feisty bunch and they love anal!

## FLAMIN' CLAMBUCA!

Their version of YMCA might have gone a bit askew but it certainly beats looking at a quintet of queers doing it properly. See them add one more on p. 41.

# FUCKING STARVING!

We do a lot of work for charity - but we don't like to talk about it. And it seems we're not the only ones. Some generous blokes in middle England answered the pleas of tarty old Lady Josephine and her bored housewife mates when they announced they were starving. Of course, it didn't need a *Blue Peter* bring and buy sale to support their cause, just a bit of old-fashioned anal instead. See what we're going on about in Pumpkin Media's *Sex Starved Bitches Vol 2* out now on DVD!

Ashaya, Ashaya, Ashaya – have you heard the one about the tasty bint in the red fishnets? You haven't? Well, it's sure to bring a smile to your face. And a bulge to your trousers. "I'm a right flirt," Ashaya admitted. "And I'm also very forward so if I like the look of you it won't be long before I'm coming on to you. Last night I hadn't even been in the pub five minutes when I was back out in the car park and noshing off some tasty fella until he shot his muck down my throat. It wouldn't have been too bad but I'd only just started my shift behind the bar!"

# REAL WIFE SEX

Wendy, 28.  
Stockport

**Newly-wed Wendy was keen to please her husband's friends with more than her cooking...**

I've only been married to my husband for a few months and I'm doing my best to fit in with his mates.

To really get to know them he suggested we throw a dinner party. I quite liked the idea, even though I'm no Delia Smith in the kitchen.

It was a Saturday night and two couples came round – Scott and Emma, then Kev and Jodie. I made them all a drink then returned to the kitchen.

Half an hour later it was ready so we all moved to the dining room. We'd all had a bit too much drink already and the conversation was getting quite blue.

Then I felt a foot rubbing up the inside of my leg. It was strange because I was sitting opposite Emma. When I looked at her she flashed me a knowing nod.

I quite liked the thrill of playing footsie with her and I started to roam her inner leg with my foot. I went all the way up her thigh until I got to her pussy to discover she wasn't wearing any knickers.

I began to prod her wet hole with my

**She wasn't wearing any knickers**

big toe and Emma slid down in her seat to accommodate me.

It was crazy that no one else at the table was aware that I was pleasuring Emma's cunt with my foot.

When the main course was done I cleared the table and took all the dirty

plates to the kitchen. Guess who followed me in.

Emma came up behind me and put her hands round my waist.

"Nice footwork," she whispered in my ear. "But I bet you're even better with

your tongue."

With that she pinched my bum and returned to the dining room just as my husband Craig walked in and asked me how I was enjoying the evening.

## Her tongue lapped my cunt

I told him it was going well, despite my cooking, and then I squeezed his cock through his trousers. Funnily enough it was already hard.

When I went back to the dining room I couldn't believe what I saw. All four of our guests were naked and the girls were snogging each other while the

blokes watched.

"Are you going to join in?" Emma asked. I looked at my husband and he nodded in encouragement.

I undressed and joined the girls on the sofa. Emma spread my legs and went straight for my pussy. I had never had my pussy licked by another woman before but it felt great.

I pulled Emma's head closer as her tongue lapped around my cunt. Then

Jodie got involved and the pair of them took turns eating me out.

After a while the men got involved. Kev stuck his cock in my mouth, Scott put his in Jodie's twat while my husband started fucking Emma.

It was basically a free-for-all and the cocks were changing holes every few minutes. I got to taste Craig, Scott and Kev's dicks and both girls' pussy juices on them.

**Randy Ron couldn't get up the motorway fast enough when Ann and Ben wanted to make a movie!**

# STRICTLY BRU

I must tell you about my latest meet-up with Ann and Ben in Birmingham.

I called round in the evening. Ann was sat on the sofa with a low-cut dress showing off her tits. She also had fishnet stockings and knee-high boots on.

We kissed and groped a bit. She wasn't wearing any panties. I began to lap on her pussy until Ann suggested that we go upstairs.

This is where Ben was setting up the video equipment, which got me excited because we were obviously going to make a porn movie again.

Ben and I stripped off and got hold of our cocks and began wanking and sucking us off.

fucked her for all I was worth.

I withdrew and took Ann doggy fashion. This was soon all too much for me and I came right up her.

As I pulled away my spunk was running down her stocking-clad thighs. Ben then fucked her in a number of positions while I recovered.

We then watched back the last porno film we had made together. I had not seen it yet but when I did it got my cock stiffer than ever.

We fooled around for a while, Ann readily taking our cocks in her mouth. I even got my cock between her huge tits while she carried on sucking.

Meanwhile Ben was fucking Ann from

**"WE TOOK TURNS HAVING OUR COCKS SUCKED!"**

We opened Ann's legs between us and began to finger her together. She seemed to enjoy this and her fanny was soaking wet.

Ben handed me a huge dildo, which I rammed right up Ann. She begged me to stop as this was becoming too much.

We took turns having our cocks sucked. We also worked on her huge boobs and sucked on one each while playing with her pussy.

Ben wanted some low shots of me pumping in Ann's pussy. As I thrust into her I grabbed the heel of each boot and

behind as she sucked on my dick. The dirty bitch could feel me twitching so in her slutish way she just sucked harder and deeper.

I came very hard. Ann then dribbled the spunk on to my chest and turned to one of the cameras. I have seen a still of this and I cannot believe the amount of cum I shot considering it was the second time.

Spent, I moved out of the way and watched Ben give it to Ann hard and fast.

So guys, what are you waiting for? Get writing to Ann!

Ron, London.

## Cream crackers

I've been in touch with a really horny girl from round my way called Susan.

I met her while she was getting dirty with another girl in the back room of a pub. We chatted and I decided to meet up one Saturday night.

**I'd had a long bath earlier and had to stop playing with my cunt in case I came. I wanted to keep myself randy for the evening.**

We met in a restaurant and while we were waiting for our food to arrive I took one of my shoes off and rubbed the inside of Susan's leg with my foot.

As I touched her pussy I could feel my foot getting

She was the fastest lick I'd ever known and I nearly came but stopped myself when she suggested we go to the kitchen.

Susan told me to lie on the table before producing a can of squirty cream from the fridge.

She squirted the cream over my nipples, then down the middle of my tummy and finally she put some on my pussy.

**Susan began licking, working her way down from my nipples and after lapping all the cream from my pussy she grabbed a cucumber and fucked me with it.**

I couldn't handle the pleasure so we swapped places and I did the same to her with the cream and then the cucumber.

the side so I grabbed that and turned Susan around with her back against the wall.

I stuck the vibrator into her glistening wet pussy and started shafting her hard.

She gave me a right fright when she came. She screamed out loud with pleasure at the orgasm rocking her body.

Then Susan bent down and started to flick her tongue

over my stiff little clit.

**It didn't take me too long to orgasm a load of cunt-cream all over her pretty little upturned face.**

I thought that was about it and after a nice kiss and a

moist because she wasn't wearing any knickers.

Susan's face started to go red so I said I would stop because I wanted to save it for later back at her place.

Once we were at hers I got hold of Susan and started snogging. Then I dropped to my knees and lifted her skirt up to see her knickerless fanny.

She put one of her legs over my shoulder and I started to give her a good licking. After a while Susan rested me on the stairs, pulled my legs wide over her shoulders and gave me a good licking in return.

She screamed with pleasure when I began to lick her out then turned round to shove my wet pussy in her face.

We were in the 69 position on the table and we both came so much Susan nearly drowned me with her juices.

When we pulled away from each other we both had cum beads off our chins!

**After that we did it in the shower. We groped each other's tits in front of her big bathroom mirror.**

What a sexy sight to see each other's hands all over each other. She was helpless with passion and so was I!

There was a big vibrator on

cuddle I got her to call me a cab.

But we got carried away again waiting for it and it was beeping outside while she fingered my pussy and arse all over again.

I headed home with a big smile on my face, knowing I'd be playing with myself again at home thinking about it all!

When Cate challenged us to a game of strip hold 'em we were ready to shuffle. The yummy young 'un might be lucky in the lush department but when it comes to the poker table, we hold all the aces. "I can't believe you conned me into playing strip poker," lewd loser Cate moaned as she peeled off the last of her skimpies. "Mind you, it could have been worse, we could have been playing for money. Or sex. I used to play a dirty version of snap with my boyfriend. Every time I lost I had to take it up the arse. If he lost he had to lick me out." Now that's what we call a deal!

## Dream duo

**R**ecently I told my horny wife Mya that it was my fantasy to see her fucked by another man.

To my surprise she told me that she dreamt of other men doing it to her as well.

So a couple of weeks later she got dressed up and hit the town by herself while I went to the pub.

A bit later I got a text tell-

time she told Andy and Steve to get their cocks out because she wanted to suck them hard.

**They both had their cocks sucked until Steve pulled his away and told my wife to spread her legs. Then he got down and started to lick out her shaven pussy.**

He obviously knew what he was doing as a couple of minutes later he had made Mya squeal so hard she had to

told Andy and Steve she wanted both her holes filled at the same time.

Steve was in Mya's pussy and Andy up her tight arse. She had never been done by two before and I couldn't believe I was about to film one of the best things I could imagine my wife doing.

As I filmed I could see both of them were sending my wife's body into overdrive. Her groans were so loud I bet the

neighbours were wondering what was going on.

**Steve said he couldn't hold it any longer and cum right up Mya's pussy.**

She let out another loud groan and told him to move out the way.

This prompted Andy to really hammer away at her arse until he filled it full of his cum and left me to my rather satisfied wife.

ing me to go home and get the video camera ready. She added that she'd be home in 20 minutes.

When she turned up I was astonished. Not only had she brought a man home, she'd brought back two!

Mya introduced them as Andy and Steve and led them into the bedroom. She then gave us all a cracking strip-tease which I filmed.

After teasing us for some

When she had recomposed herself Mya told Steve that she wanted to feel his cock in her pussy now and wanted a bloody good fucking.

When Steve started to pound away at Mya's pussy doggy-style, she took Andy's cock in her mouth again and gave him a really good noshing off.

Pretty soon she was cumming hard again, then she

# I Made CONTACT

Thousands of horny readers have met through Escort Contact – and this is where they tell us what happened...

**LESLEY, STAFFS.**  
34D, 39 years old, Show Us Yours, p. 50. "I recently went to a dogging site and showed off my arse to a load of strangers!"

When lusty Lesley from vol 29 no 3 invited a fella round, it wasn't her innocence he stole!

## Dear Escort,

My partner Lesley had plenty of fan mail. One letter was from a bloke called Greg.

He was a plumber and since we had some trouble with the kitchen plumbing we asked him to come round – with more than plumbing in mind.

Lesley would be there to meet him but little did he know I was hiding in the spare bedroom where I could hear and see most things that happened.

Lesley opened the front door and Greg said he instantly recognised her face having spent many good wanks thinking of her.

He followed her to the kitchen and tried to get a closer look at some of her curves as she leaned forward.

Lesley caught sight of Greg looking at her swinging breasts. She noticed him becoming erect as she stood upright exposing her pert nipples through her silky slip.

Lesley asked Greg if he was alright, breaking his stare. A little embarrassed, Greg asked if he could use

# FUCKING THE THONG T

the bathroom and Lesley directed him upstairs.

I watched Greg leave the bathroom and go into our bedroom. He picked up a little red thong from a pile of folded washing and slipped it into his coat pocket before returning downstairs.

He got on with the plumbing work and when he was about to leave Lesley called him back for something he'd forgotten.

He didn't have a clue what she was referring to until she lifted up her slip to reveal she was wearing the red

her tits before shoving four fingers in her wet fanny.

He kept on fingering her vagina making it wetter and wetter until you could hear it squelching. Then he ordered Lesley on to the kitchen table with her arse sticking out and her back arched.

I heard Lesley start to scream as Greg must have been pounding away really hard. At one point I thought the legs on the table were about to give way.

Greg exited Lesley's pussy and eased it into her anal

thong he had stolen.

At that point Lesley saw a large bulge in Greg's trousers and asked if he'd like to see more.

Greg gave an enthusiastic nod and watched Lesley slowly ease down her panties to reveal a finely-trimmed pussy and at the same time she exposed her pert breasts.

With the sexiest of voices and dirtiest of smiles Lesley said, "If you want to steal my moist panties you'd better come and get them!"

When he heard this Greg got his thick cock out and stuck it in Lesley's mouth. He then licked and sucked

passage. I heard him say, "Do you mind me giving it to you in the arse?"

"Please do," Lesley replied. "My partner never wants to!"

I thought, What a cheeky cow! But I was wanking myself silly at this point so I didn't mind.

Greg really groaned as he wanked stream after stream of hot and gluey spunk over Lesley's arse.

Once he was spent and out the door I made myself visible to Lesley. "So I never want to give it to you up the arse, eh? Best turn round and spread your cheeks..."

# REAL WIFE SEX

Wendy's story continued from page 21

It soon became apparent that I was the centre of attention as I had Emma and Scott licking out my pussy while I was sharing Kev's dick with Jodie.

I wondered where my husband was in all this mayhem until I saw him aiming a video camera at the action.

Realising I was suddenly a porn star I started playing up to the camera. I took Kev's dick all the way to the back of my throat, only allowing his missus to suck on his balls.

Meanwhile Scott started fucking me, pulling his cock out every so often so that Emma could suck it or lick my pussy.

Craig obviously wanted back in on the fun because he gave Scott the video camera and took to fucking me.

I'm proud to say Craig's cock was the largest of them all and when he fucked me I couldn't help but orgasm. As soon as I had cum both the girls were down between my legs lapping up my love juices.

Then they turned to each other and pro-

ceeded to swap my cum between their mouths until most of it was gone.

This really turned the fellas on and they all stood in a circle round us girls wanking themselves off.

What followed was a cock-sucking carousel. I took Kev's prick in my mouth and sucked him off while Emma did the same to Craig and Jodie to Scott.

We kept changing places until my

## I caught loads in my mouth

husband was the first to burst. He announced he was cumming so we all abandoned the two other pricks and waited with open mouths for Craig to spray his load.

After some frantic wanking Craig's cock exploded and squirted a long torrent of sticky muck over the three of us.

I caught loads in my mouth but before I had a chance to swallow it Emma and

Jodie insisted I swap it with them.

I spat it all into Emma's mouth and then she passed it to Jodie via a messy snog. Loads of it ran out of her mouth so I joined in and licked her chin clean.

My mouth was so full of cum and the other girls' saliva I couldn't help but gulp half of it down.

It didn't matter though because Scott was next to cum. The spunk fired out of his cock and missed our mouths completely. In fact my hair was the main recipient.

Kevin came last but he wasn't stupid. He shoved his cock right in my mouth just as he was cumming and flooded my throat with his warm muck.

Once again the girls begged me to share it with them so

I let some dribble out and in a flash Jodie and Emma were lapping it up. Despite having three men cum in or over me there wasn't a drop left by the time the girls had finished with me. Come to think of it there wasn't any of the home-made lasagne left either so the evening had been success on all counts.

Our guests eventually left and I told Craig I'd do the washing up in the morning - I wanted to get his cock inside me again.

After fucking me ragged he told me to get used to such debauchery as we had been invited round Kev and Jodie's next weekend. And apparently Kev's a great chef!

"I'm not saying I'd turn a smaller cock down, it's just I love having my pussy filled to the brim. You can't beat the thrill of having your breath taken away as a massive dick slides into your pussy. That's why I got these piercings. Can you imagine what effect they'd have on a big willy? Or any willy for that matter. Sod it, I'm so keen to try them out I'll try whatever comes first!"

## Filthy beach

**M**y husband and I were on holiday and we had been on the nudist beach every day.

At first I kept my bikini bottoms on but after a couple of days I started to enjoy being naked. I have my pussy shaved so laying there with other men being able to see it was making me feel horny.

Some days I couldn't wait to get back to the apartment for a shag.

**After we'd fucked I'd lay on the bed wanking myself off, thinking about the men looking at my bald pussy.**

On the fourth day of our holiday we went to the beach again. After a while I went off to the bar to get a drink.

As I got there I noticed a man sat on one of the bar

stools. He was naked and I could see his penis was the same length as my husband's – but the head was much bigger.

finished his beer and looked down at the bar at me and pointed at my legs.

Seeing there wasn't anybody else about I opened my

legs to show him my bald gaping pussy.

When the barman came back with my drink the guy had disappeared. As I went back to my husband my head was spinning. I took off my clothes and lay down next to him.

Later on we went for a swim in the sea and I told him

## Cherry pop

**S**ince I appeared in *Escort* I have been spoilt for choice when it came to men writing to me wanting to fuck me.

After much consideration

my hubby Jim and I decided that the 28-year-old virgin from Durham was the one I could have most fun with.

I agreed to meet up and have some fun on a weekend when his team Newcastle were down on the coast playing Portsmouth.

Jim picked him up from the airport and as he drove him back towards our house Jim explained vaguely about what was going to happen.

When I met Dennis at the front door I told him he was in for a wonderful time as long as he did exactly what I wanted. When he agreed I asked him to put on a blindfold and then led him upstairs to the main bedroom.

As Jim quietly set up the video camera by the

door, I made Dennis stand by the bed, still blindfolded and slowly started to take his clothes off.

I knelt in front of Dennis and looked at Jim who nodded his approval as I lowered my mouth onto Dennis's cock and gave him a gentle suck. Then I cupped his balls and licked them.

He was groaning and begged me to stop as he thought he was about to cum. I stopped and got him to lie

on the bed. I got on to the bed and knelt over his chest and then shuffled forward so that my pussy was only a few centimetres from his face.

**He began to bury his face in my cunt. I could soon feel my orgasm starting to grow and told him to lick harder as I was about to cum.**

I jammed down on him, soaking his face with my own juices.

When he was hard again I allowed him a few more min-

all about it as I wanked him off under the water.

When we went back to the beach I saw the bloke from the bar laying opposite us and told my husband.

**After a couple of minutes my hubby's hand started to play with my clit as I looked across at the stranger. I saw he was wanking himself off while watching us.**

This turned me on even more and I was close to cumming when the stranger spurt-

ed his seed all over the sand.

This pushed me right over the edge and as I came my hubby put his mouth over my pussy and I came on his tongue.

When we went back to the apartment we decided that if we saw the stranger again we'd invite him back to ours so I could be fucked by two blokes at once. Sadly we never saw him again but I still had a great holiday.

*Alison, Doncaster.*

utes of sucking and licking my cunt until I came for a second time.

Now I needed to feel his cock inside me so I moved forward and rubbed it against my pussy lips. With my wet cunt directly above his hard cock I asked him if he was ready to lose his virginity and he said: "You bet!"

I rode him hard and as I looked across the room I could see Jim stroking his cock as he watched me fuck my virgin.

I came again very quickly followed seconds later by Dennis, who almost growled as he shot his spunk deep inside my wet cunt.

A few days later I sent Dennis a copy of the DVD and a pair of my panties soaked in my juices from that night.

*Kelly, Windsor.*

## Sum goer!

**M**y wife Julie is always after cock. She loves getting spunk in her face, tits, arse and cunt. That goes someway to explain why she never wears pants and always has a short skirt on for easy access.

When we were on holiday recently she displayed her great love of cocks in one evening. We were going from bar to bar and she was trying it on with as many fellas as she could while I watched from a distance.

**I could see her rubbing blokes' cocks through their trousers.**

Occasionally she'd take one to a secluded corner or to the bar toilets and really go to work on them.

I can't explain the thrill I get from watching her suck off other blokes. That night I saw her give head to five different guys and I watched with glee as each one of them splashed their spunk over her face or down her throat.

A couple of guys didn't

even get the chance for a blowy. Julie was wanking them off and they came over her tits before she could suck them off.

However, the best sight that night was seeing her getting fucked. She got shagged three times, each time by different blokes. One of them lasted for ages and Julie must have cum several times before he did.

At the end of the night she told me what a wild time she'd had and I agreed.

**I loved watching her be such a slut and finished off the evening by letting her suck me off.**

The next day she was filled with so much spunk there was still remains of it seeping out of her cunt in the afternoon!
